

## In The Eyes Of The Beholder

*In the eyes of the beholder  
I sometimes try to see,  
The reasons for all the emotions they  
frequently project to me.*

*In the eyes of the beholder  
many episodes have begun  
Silent echoes of our yesterdays  
And the battles that were won.*

*In the eyes of the beholder,  
I wonder "How could it never be?"  
That some reflections I perceive  
Are never shared by thee.*

*In the Eyes Of The Beholder...  
It has a style that's one of a kind.  
Showing different ways our images  
Seem to creep into our minds.  
This could just be a slanted feature  
Trailing along with the seasons,  
Causing answers to our questions;  
Giving all the right/wrong reasons.*

*So here I am alone in thought,  
Deciding "Is This True?"  
Could IN THE EYES OF THE BEHOLDER...  
All add up to YOU!*
